ARE YOU READY TO SEE WHERE THE NEXT YEAR COULD TAKE YOU?

WELCOME

As we prepare for course registration for the 2024-25 school year, we are focused on helping students and families understand the exciting academic options at Minnetonka High School. From programs such as Advanced Placement (AP) and International Baccalaureate (IB) to Chinese and Spanish Language Immersion, Minnetonka Research, VANTAGE Advanced Professional Studies, Tonka Online and courses in the trades through MOMENTUM, *it's all here*. The Minnetonka High School registration 'season' is one of the most critical times of the year. Through engaging virtual and in-person information meetings and events, class presentations and staff encouragement, we endeavor to support students as they identify areas of passion, explore all course options and find the right fit for their upcoming academic year.

Families and students: Open this booklet, highlight programs of interest, mark your calendars and discuss academic options. Together, we can help all MHS students reach new levels of personal excellence of which they can feel proud.

The MHS team looks forward to working with you!

OPPORTUNITIES

Minnetonka High School offers a rich curriculum—across all departments and signature programs—that provides pathways to personalized learning and success. Students enjoy courses that bring deep levels of engagement through real-world learning, mentorship and collaboration.

PASSION

Minnetonka students learn by exploring! They discover their passions by being involved in any or all of the *Four A's*: academics, arts, activities and athletics. In the classroom, students realize their passion and interests through a range of options from AP and IB, Minnetonka Research and VANTAGE, to MOMENTUM, the arts and Tonka Online courses.

SUPPORT

The MHS team is committed to meeting students where they are and bringing them to the next level of learning with support and care. When considering options for next year, investigate programs, ask questions and look for guidance from teachers, counselors and staff that will lead to intentional decisions. Consistent support is the cornerstone of MHS, with many programs in place to help students succeed and graduate with an exceptional high school experience.

GO ONLINE TO LEARN MORE

From informational webinars to drop-in Q&A sessions and classroom open houses, there are so many ways to learn more about Minnetonka High School’s signature programs!

Visit minnetonkaschools.org/registration to find the links to join virtual meetings and locations for in-person meetings.

Specific details to join each virtual opportunity will be available online before the events.

EXPLORE OPPORTUNITIES TOGETHER

We invite both parents and students to attend informational opportunities. Let webinars, Q&A sessions and open houses open a dialogue about where students hope to go during and after their time at MHS.

CONNECT WITH YOUR COUNSELOR

Your school counselor is an invaluable resource as you determine which courses to register for in 2024-25. School counselors will connect with students to share information about the registration process and answer any questions students have.

Throughout the month of February, counselors will host registration seminars during the school day for current 8th, 9th, 10th and 11th graders to share specific details with each class.

You may also contact your counselor directly via email or phone. Find your counselor’s contact information here: minnetonkaschools.org/MHS-Counseling
