

Tech Academy

STEM Summer Camp/Rec Assistant **Various Locations Around The Twin Cities**

\$12 – \$18 an hour

Job Description

We need enthusiastic, high-energy Summer Camp Technology Assistants.

Applicants for the Tech Academy Assistant Teaching position will work with elementary-aged children in a classroom setting, working on helping students learn about technology. Assistants will be helping a lead teacher. We have over 100 locations across the Twin Cities.

As an Assistant, you will drive to your site, typically a school or community education building. You will need a vehicle to work at multiple schools in your school districts. Locations will vary from week to week. Most assistants will work 6-8 weeks, 15-30 hours a week. We will try to schedule you to work within 10 miles of your home.

Classes run from June 6th to September 1st. Classes typically run Monday-Thursday with occasional Fridays, and you will need to be available from 8 am to 5 pm. Some classes run in only the morning or just the afternoon, and sometimes both. There are 12+ hours of training to be held online and in-person at our Roseville office in May and June.

About Tech Academy

Tech Academy teaches week-long technology classes throughout Minnesota. We partner with over 60 School Districts across the Metro Area. We offer classes in 3D Printing, Minecraft, Movie Making, Video Game Design, Legos, and Robotics for students ages 6-14.
