## Endowment Project 'Foundation Forum' = \$100,000

The Endowment Fund is a \$1.5 million investment fund supporting long-term, broad impact programming.

The Minnetonka Public School District is embarking on the construction of its first brick-and-mortar building in 50 years, which will be the new home of the Vantage and Momentum programs. This building will feature a multi-use, premier, 140 person gathering forum space. Over the next 3 years, the Foundation will fund the forum with state-of-the-art audio and video systems, and a unique lighting system. By partnering with the District, the Foundation is investing in an innovative space that will facilitate the learning environment needed for the teaching styles and classroom of the future.
