You want to **make a Purchase** from the Scenic Heights PTA Webstore but the system **says your ID does not exist**.
You Pay for lunches and Fields trip on the Webstore, but those are done on the District account. The problem is that the District and the PTA are 2 different “entities” and they have different accounts”.
So to **purchase something from the PTA** you have to create an account with the PTA. The **GOOD NEWS** is, you can use the **same user ID and password as your District account**. Since they are different accounts it will work and it's easier for you.
NEW to Scenic Heights PTA, chose the item you want to purchase and then follow the prompt to create your account. Screen prints are below.
PLEASE MAKE SURE THAT YOU ANSWER EACH QUESTIONS even if the answer is “0” or the order will not complete properly.

You will need to make a selection for each of the drop-downs below in order to complete your payment.
